

Volunteer Job Descriptions

Castaways

You are what Summer Spectacular is all about! You will be traveling with our kids as they complete their rotations each night. Your job is to get to know them, interact with them, love them and be Jesus to them. You will be their counselor, friend, encourager and disciplinarian. There will be a LEAD "Castaway" in each age/grade level that will be a help to you if you need it. Relationship building is your job and by the end of the week - these kids will just love you!

Registration

You will be the first people visitors and parents will meet. You are the ambassadors for our children's ministry! Please bring an extra amount of patience and love with you each night. You will be assigned an area to work and will be put in one of these places:

- 1) Registration
- 2) Nametags and Craft pick-up
- 3) Hand stamping
- 4) Greeter and Guest Passes

An additional part of your job for the night will be to carry the crafts from the Preschool area to the craft pick up for parents. This will happen after each rotation - so bring your best running shoes because you will be busy!

Slime!

It's gonna get sloppy! This is like "Nickelodeon" Torrey Kids style! As a part of this event we will be having a question/answer time with the kids and if they answer all the questions right then they or another Castaway will get slimed or wet! It's gonna be wild! (This activity will take place along with their snack - so it might be a little tricky!) Don't wear new and or favorite clothes and washable or old shoes are recommended.

Recreation (Island Fun!)

Lucky you! You get to play all night! Those of you helping with recreation will be getting the games set-up and keeping our little castaways in top shape! You will be assisting the Recreation LEADS as they try and keep the games happily moving. Your directions include setting-up equipment as well as cleaning up.

SNACK

When you are stranded on a deserted island - what do you look for first? FOOD! Each night we will be having very hungry Castaways so you will be the ones to help feed them. As a part of your job you will be helping prepare and distribute the themed snacks and cool glasses of water to the kids each night. This might mean coming early in the day to do some baking, stirring and mixing. Some nights it will be just handing out the snacks to the students so we keep them from "starving".

Truth Time/Storytelling

This is the most important time of the evening as this is where the truth of God's Word will be presented. The elementary kids will rotate into this area where they might be doing "hands on" activities that go along with the message for the night. In the Pre-K/K area - they will have a special Bible storytime - maybe even an object lesson. If you are working in either of these areas you will need to arrive and be ready to help out at a table when the kids arrive. This rotation offers the kids the opportunity to learn how much God loves them and how following Him can make a huge difference in their lives.

SECURITY

Your duties include helping the SECURITY LEAD keep our kids are safe and sound. You are the eyes and ears of their safety - so be alert!

CRAFTS - Pre-K and K

What can you make out of things found on a deserted island? Let's find out! The craft rotation for Pre-K and kindergarten will be held in the Berry Center. Come prepared to make some very fun take-home items. You will need to be available to help prepare the crafts and get supplies out and put away.

Childcare

Your special duties are to care for our little ones. Your help allows our volunteers to serve! A BIG THANK YOU TO THESE wonderful workers! Yours is a VERY IMPORTANT SPOT!

Offering

You will be collecting and tabulating the offering each night. When you have tallied the amount of all the grades - you will report it to the Sound Board in Hashinger Hall where they will put it up on the screen for the final night's report. This year our offering will be helping "rescue" some families worldwide.

To sign-up to be a Summer Spectacular Volunteer - log on to our church website (www.torreypineschurch.com) and click on the Summer Spectacular ICON or go to the Torrey Kids page and under the "Calendar" tab - click on Summer Spectacular and then look for the SIGN UP FORMS and click on "Staff Registration". We would LOVE to have you help us!
